Thanks to generous donors there are several $500 travel scholarships available for consumers (or a family member who cares for them) who will be attending the Oley annual conference for the first time, and for Oley Ambassadors (others may apply for the waiting list). Applicants should not be receiving any other financial assistance for travel and/or lodging expenses related to attending the conference. Travel grants are limited to one per family/household.

Qualified conference registrants should write two paragraphs describing how they believe attending the conference will affect their life and submit them to harrinc@mail.amc.edu or The Oley Foundation, 43 New Scotland Ave., MC-28, Albany Medical Center, Albany, NY 12208. The ideal candidate will also describe their plans to share information learned at the conference with consumers and/or clinicians back home. Travel must be completed and receipts received by Oley before reimbursement can be made.
