

Watch this video to learn more about PFD Awareness Month

MAY IS PFD AWARENESS MONTH

Let's spread the word

Each May, we celebrate Pediatric Feeding Disorder (PFD) Awareness Month, both in the United States and around the world. Throughout the month, we work with our community to bring awareness to those who do not know about PFD.

With your help we can ensure PFD is a household name and no family feels alone.

To honor PFD Awareness Month, we hold our biggest virtual fundraiser of the year. You can support children with PFD as a fundraising champion for the Call it PFD: Feed the Cause campaign. Starting a fundraiser is easy to do, and it's fun. Learn more at feedingmatters.org/call-it-pfd
